The Thompson Organization Invites Young Artists to Reimagine Tomorrow in the 2026 Draw the Future Contest

DOYLESTOWN, PA – The Thompson Organization is proud to announce the return of its **Draw the Future** contest, a celebration of imagination that has inspired young artists for more than 30 years. The 2026 competition invites students in kindergarten through 6th grade to design their vision of the vehicles of tomorrow — from eco-friendly concepts to out-of-this-world creations. The more creative, the better.

Every participant will receive a limited-edition 2026 Draw the Future t-shirt, and all artwork will be displayed at Thompson dealership locations in Doylestown. Winners in each grade level will receive first-, second-, and third-place honors.

Entries must include an original drawing and completed form submitted by Thursday, March 19, 2026. Artwork may be dropped off at any Thompson dealership or mailed to Taylor Thompson at 122 W. Swamp Rd, Doylestown, PA 18901.

Contact Taylor at taylor.thompson@1800thompson.com for more information. Entry forms and details are available at 1800thompson.com/draw-the-future.htm.
