Center School Named 2026 Family LOVE Award Winner by *Philadelphia Family* and *Bucks County Parent*

Abington, PA — [3/27/26] — Center School is proud to announce that it has been named the **2026 Family LOVE Award Winner for Excellence in Education** by both [Philadelphia Family](#) and [Bucks County Parent](#), two leading regional publications dedicated to connecting families with trusted resources and organizations.

The **Family LOVE Awards** recognize outstanding schools, businesses, and organizations that have made a meaningful impact on families throughout the Greater Philadelphia region. What sets this recognition apart is its foundation in authentic family experiences. Nominations are thoughtfully evaluated based on the quality and depth of recommendations, which are submitted by parents and community members.

To be recognized by both publications underscores Center School’s reputation as a leader in delivering an exceptional educational experience.

“At Center School, growth and success are not just goals, they are the standard,” said Mindy Wawrzyniak, Center School’s Head of School. *“This recognition reflects the work happening in our classrooms every day; students making meaningful progress, thinking critically, and building the confidence to take on what’s next.”*

Each year, Philadelphia Family and Bucks County Parent, part of Family Focus Media, invite their communities to highlight the organizations that have had the greatest impact on their lives. The result is a highly regarded “Best for Families” guide that showcases trusted institutions that support families in meaningful and lasting ways across the region.

These awards reflect the strength of the Center School community, its dedicated faculty, engaged students, and supportive families, who work in partnership to create an environment focused on achievement, growth, and long-term success.

“We are grateful to the families who took the time to share their experiences and support our school,” Wawrzyniak added. *“Their trust and partnership are at the heart of everything we do.”*

Center School remains committed to providing a rigorous, student-centered academic experience that prepares learners for continued success in school and beyond.
